*"Mary's life, filled with simplicity, was
a life hidden within God."
-The Gift of Faith by Fr. Tadeusz Dajczer*

Michael Dubruiel has spent his life bringing the truth and teaching of the Catholic Faith at the level of the average person in both his speaking and writings.

Whether speaking to a large group at the National Conference of Catholic Educators or the Catholic young adult group in his local parish Dubruiel's message is deemed both needed and relevant.

Michael has several Master's Degrees in theology and Christian Spirituality and currently works as an Acquisitions Editor for the large Catholic publishing house Our Sunday Visitor. In Michael's own words, "The Gift of Faith is one of the best books on the spiritual life I've ever read." He and his wife Amy Welborn live in northern Indiana.
